

# Anchor System Ancrasol

59,99 for a box of 4 ou 20\$ each.

This system helps to strengthen the installation of your winter cover for an added security and peace of mind.

Price: on request

## Description

This system helps to strengthen the installation of your winter cover for an added security and peace of mind.

After the winter season, remove the cap and place the summer screws, taking care to put grease or mineral grease to prevent corrosion and facilitate unscrewing next season.

## Characteristic

A box contains:

- 4 anchors
- 4 summer heads
- 4 ties
- 1 pushing rod
- 1 driving head

## Advantages

Easy to install, this product gives you peace of mind throughout the winter and it's easy to reinstall the following season. A box contains four anchors.
