

Riviera C Awning

The Riviera is a high quality fixed awning.
Price: on request

Description

The Riviera is a high quality fixed awning that you can fully enjoy your outdoor space.

Characteristic

Made of extruded aluminum with a cooked in coated white or beige paint and a high quality

waterproof acrylic, with a durability of 8 to 10 years. Attachment patented system without lacing. For added comfort, adding curtains or screen is possible. Available in all sizes.

Advantages

Protect from direct sunlight, rain and wind. Lets you enjoy the outdoors more often and longer. It fits all types of development. Protects furniture. The canvas can be removed in minutes.

Uninstall service and storage available.

Securely anchored to the wall, this fix awning, made of an extruded aluminum structure, offers a great protection against sun and rain. Its high quality acrylic canvas is available in a multitude of colors, for a perfect match with your furniture and décor. Furthermore, by adding acrylic and / or polymer curtains, will prolong the use of your patio and turn it into an even more intimate area. Better yet, the Riviera can be fixed with a fix screen, providing effective protection against insect pests. The Riviera requires very little maintenance.
